

## ‘Customized Bookcloth: Backing Fabric’ Tool List

- wide glue brush (a bristle paint brush will work)
- [roof brush](#)\* OR terrycloth kitchen/hand towel
- iron (ideally one used for craft projects, *not* clothes)
- container for water
- PVA adhesive (i.e. [Jade 403](#) (my favorite), [Mod Podge](#), [Lineco](#), Elmer’s, or other craft glue)
- spray bottle filled with water
- masking tape (for taping down craft mat)
- heavy, flat object for weight (i.e. large book; wood board + can of beans, etc.)
- bonefolder, rolling pin, brayer and/or other tool to use for smoothing/pressing
- *optional*: mesh strainer (for refining paste—preferably plastic or horsehair if you have one)
