

J. Willard Marriott Library Multimedia Archives

-The Special Collections Dept. is pleased to provide reproductions of our photographs and audio-visual materials, when such reproductions will not damage the original, violate copyright, nor violate any restrictions imposed by the donor.

-The Multimedia Archives can provide digital scans of images, thermal prints made from digital scans, and duplication of audio-visual materials on a variety of formats. Prices for digital scans, thermal prints, rush fees, and audio-visual duplication fees are listed below. Patrons may provide their own storage media (recordable CDs), or it will be provided by the Multimedia Archives at the prices listed below.

-Commercial use requires the completion of an Application for Permission to Publish and the payment of Use Fees.

Please note that all prices are subject to change without notice.
