

Library Locker Rental Agreement

- Lockers are available to rent on a semester basis. The cost for a semester rental is \$25.00. A student may only rent one locker per semester.
- Locker rentals are available to all current University of Utah students. Undergraduate lockers are located in the Level 1 entrance lobby. Graduate student lockers are located in the Graduate Reading Room, 1180A.
- Payment and key issuance must take place at the Level 2 Reserve/Cashier & Library Store desk.
- Library Security will conduct weekly sweeps of lockers to check for library items that have not been checked-out or are non-circulating. For the benefit of all patrons, items that are not checked out or are non-circulating will be removed and returned to the shelf.
- Patrons will be charged a \$25.00 replacement fee and a \$25.00 processing fee for a lost key or failure to return a key following the conclusion of the semester. You will receive an email reminder when your locker rental is about to expire. A hold may be placed on your transcript in the event a key is not returned. Any items left in the locker at the conclusion of the semester will be processed and stored in the Lost and Found.
- The Library is not responsible for the loss of personal items.
- Due to health and sanitation risks, any items that may be a health, safety, or security concern will be discarded. This includes, but is not limited to: perishable food or drink products and containers, trash, and any items contaminated by or appearing to be a hazardous material.
