

'Endbands: Recipes and Techniques' Tool List

- Masking tape
- Small amount of PVA for stiffening cord (can be Elmer's, Modpodge, crafting glue, etc.)
- Bookbinding awl (or other tool for poking small holes in cardstock: pin vice with needle/teasing needle, etc.)
- Small glue brush + water container
- Olfa or Xacto knife

Optional:

- Bone folder (not necessary, but useful)
- Optivisor or magnifier, if needed
- A handmade book or paperback book to practice on
