

CUSTOMIZED BOOKCLOTH: BACKING FABRIC

YOUR PACE, YOUR PLACE BOOKMAKING SERIES

TOOL LIST

- **wide glue brush** (a bristle paint brush will work)
- **roof brush** (or terrycloth kitchen or hand towel)
- **iron** (ideally one used for craft projects, not clothing)
- **container for water**
- **PVA adhesive** (we recommend Jade 403 [available from various bookbinding and conservation suppliers], but any PVA will work [Elmer's, Modpodge, crafting glue, etc.])
- **spray bottle filled with water**
- **masking tape** (for taping down craft mat)
- **heavy, flat object for weight** (i.e. large book, wooden board + can of beans, etc.)
- **bone folder, rolling pin, brayer and/or other tool to use for smoothing/pressing**
- **mesh strainer** (optional [for refining paste—preferably plastic or horse hair])
