

First laptop login if off-campus

1. Click the Internet icon in the lower right corner and connect to a wireless network.

2. After you are connected: Click the Network Sign-In icon in the lower right corner.

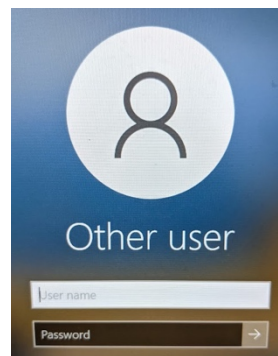

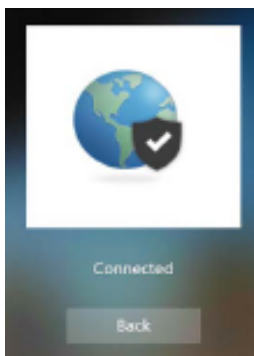

3. Enter your uNID (e.g., u0555555) and university password and click LOGIN.

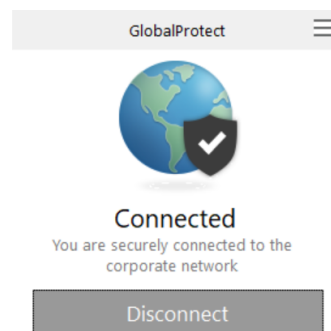

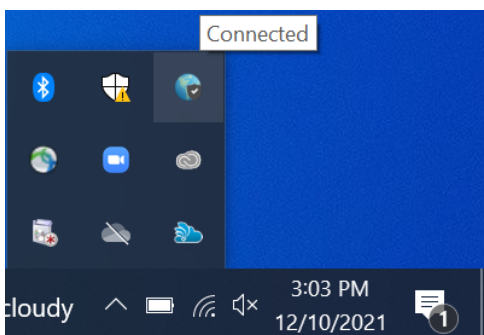

If you are enrolled in Duo 2FA (2-Factor Authentication): Click Send Me a Push and approve it on your phone, or click Enter a Passcode and enter a code from your Duo Mobile app or token.

A login form with two input fields. The first is labeled 'uNID: (e.g. u8675309)' and the second is labeled 'Password:'. Below each field is a link: 'Forgot your uNID?' and 'Forgot your password?'. A 'LOGIN' button is at the bottom.A Duo 2FA authentication screen. It features the University of Utah logo on the left. On the right, it says 'Choose an authentication method' with two green buttons: 'Send Me a Push' and 'Enter a Passcode'. Below these is a checkbox for 'Remember me for 12 hours'. At the bottom, there are links for 'What is this?', 'Add a new device', 'My Settings & Devices', and 'Need help?'. A 'Secured by Duo' logo is at the very bottom.

4. After you receive confirmation that you are connected, click Back and sign in with your uNID and password once more.

5. After you are logged in: In the lower right corner, click the arrow to show hidden icons, click on the GlobalProtect globe icon, and click Disconnect.

For subsequent logins, simply enter your uNID and password to log into the computer.
